

General Software Licensing

YOU MUST READ, UNDERSTAND AND AGREE TO THIS LICENSE BEFORE OBTAINING THE CURRENT VERSION OF **HEAT+ (Harmonized Emissions Analysis Tool plus), 2013**. THIS INFORMATION EXPLAINS THE EXTENT TO THE USAGE PERMITTED AND/OR RESTRICTIONS FOR THE USAGE OF SOFTWARE DISTRIBUTED BY ICLEI – LOCAL GOVERNMENTS FOR SUSTAINABILITY (ICLEI).

Licensor: ICLEI – Local Governments for Sustainability

Product: **HEAT+** by ICLEI – Local Governments for Sustainability

Licensee: The customer/individual obtaining the software by ICLEI – Local Governments for Sustainability

License Type: This is a custom license, **HEAT+** software is NOT open source software.

THE LICENSE

ICLEI – Local Governments for Sustainability grants you a non-exclusive license to use the software for purposes of preparing and reporting local government carbon inventories, for non-commercial purposes. ANY SOFTWARE DISTRIBUTED UNDER THIS LICENSE IS NOT AN OPEN SOURCE SOFTWARE PRODUCT. YOU MUST FOLLOW THE LIMITATIONS IN THIS SOFTWARE AGREEMENT.

Maintenance and technical service related support are available to those following this agreement at specified costs as per the user agreement.

RESTRICTIONS OF USE

You are permitted to:

- use the software for preparing carbon emission inventories and reports for local governments and other government authorities, as defined in the bilateral user agreements
- use the software for training staff of local governments, for research purposes and any other academic initiative as is licensed by ICLEI – Local Governments for Sustainability, as defined in the bilateral user agreement.

You are NOT permitted to:

- use the software for any commercial purposes, even if it is to support local governments in their climate reporting
- reverse engineer, disassemble, or create derivative works based on the software for distribution or usage outside
- rebrand and/or sell the software as your own solution
- modify and/or remove any copyright notices or labels on the software on each page and in the header/footer and output html of each source file
- distribute or modify proprietary graphics, HTML, or CSS packaged with the software for use in other software applications or web sites without written permission from ICLEI – Local Governments for Sustainability
- use the software in such a way as to condone or encourage terrorism, promote or provide pirated software, or any other form of illegal or damaging activity.

LIMITED LIABILITY

The software is provided on an "AS IS" basis, without warranty of any kind, including without limitation the warranties of merchantability, fitness for a particular purpose and non-infringement. The entire risk as to the quality and performance of the software is borne by you.

In addition, any security mechanisms implemented by **HEAT+** software have inherent limitations, and you must determine that the software sufficiently meets your requirements. This disclaimer of warranty constitutes an essential part of the agreement.

OWNERSHIP

Title, ownership rights, and intellectual property rights in the software shall remain with ICLEI – Local Governments for Sustainability. Copyright laws and treaties of European Union protect this software and any issues that may arise over this will be dealt with in the courts of Germany. Title and related rights in the content accessed through the software is the property of the applicable content owner and may be protected by applicable law. This license gives you no rights to such content.

TERMINATION

This agreement will terminate automatically if you fail to comply with the limitations described herein. On termination, we may request you to destroy all copies of the software within 48 hours.

MISCELLANEOUS

ICLEI – Local Governments for Sustainability, World Secretariat, reserves the right to change the terms of this agreement at any time however those changes are not retroactive to past releases.

Technical support may NOT be provided for third-party modifications to the software including modifications to code to any license holder. If the software is modified using a third-party modification instruction or otherwise, technical support may be refused to any license holder.
